I'm setting up a standing weekly meeting for the ESA consultation team, even though I don't yet know who is a member of the team. Raj and Bob are definite Yes. I think Aron is Yes. Karen, I included you as cc: because the issues with ESA consultation overlap the other issues you were going to be helping out with (ecosystems, wildlife habitat, wetlands, etc), but I'm leaving your attendance to your judgment. Julia, I cc'd you just for fun.
